

Camp Burgess & Hayward Outdoor Education Center

Field Trips & Special Events

We can help you organize a number of excursions either before, during or after your visit to Camp Burgess and Hayward. Some trips will involve a small additional fee.

We are also expanding our range of guest speaker programs, some of which are available for a small fee. If you know someone who may be able to provide specialist programs, please let us know.

Wampanoag Cultural Campfire

A member of the Mashpee Wampanoag (Cape Cod's Native people) tribe joins us on camp for an amazing cultural experience. Wearing traditional clothing and carrying artifacts our guest uses story, song and dance to educate and entertain. There may be extra charges involved with this program; call us for more details. This activity takes place at night. Length: 1 period; Age: Any.

Visits and Excursions

- Sandwich glass museum
A modern, interactive museum portraying Sandwich's history.
- Whale Watch
Sailing out of Barnstable Harbor or Plymouth.
- Woods Hole Oceanographic Institute
